- Trafficked/Forced Child Labour & Adolescent Worker.

Objective of the study :-

The objective of the survey is to look at the situation of Child Labour & Adolescent Worker living in difficult circumstances by moving up to Panchayat level of the state, doing assessment of their problem and to compile, consolidate the information related to said categories of Bonded Labour. This has to be translated into facilitating possible short or long term strategies aimed at promoting, protecting and fulfilling the rights of the Child Labour & Adolescent Worker in need of care and protection.

Role of The Client :-

The department will provide necessary authorization to the external agency to conduct the study in the selected Panchayat/Local Body (Panchayat /Local Bodies will be selected after consultation with the awarded organization) The information and data collected as a part of this study will be the sole property of the department and the agency will not use it for publication or claim any right on it.

Review & Monitoring :-

The Concerning District Collector will review and monitor the working of the agency every week in terms of applied process, financial output, deliverables and reports.

Methodology of the study :-

- One organization will be allowed to conduct survey in a maximum of groups as mentioned in the TOR.
- The organization will be given a total of 60 days after signing the agreement to complete the field level work with need assessments and 20 days more for compilation and documentation of the finding and recommendations.
- The Team will be formed by looking after the total number of Panchayat Local Bodies in the select group/s and the given time limit to complete the survey.
- The organization has to conduct universal survey by applying different tools of FGD, individual discussion with the local influential people/govt. officials etc to identify the Child Labour & Adolescent Worker. Then the team will interview the identified Child Labour & Adolescent Worker as per the schedule.
- In order to look into the time constraint the organization has to strategize in such a way that an effective survey could be conducted in a given time frame. For the purpose the panchayat people/local bodies shall be informed prior to the survey. In case basic information is required on the subject of the survey, the local authority may be contacted by the surveyor prior to the survey.

Interview Guidelines :-

- The surveyors should first inform the Child Labour & Adolescent Worker (to be interviewed) that they were sent by the Concerns Collector (a little information about Collector) to learn more about their lives and why they were in difficult circumstances. The interviewer then shall seek the permission to interview the Child Labour & Adolescent Worker.
- Passport Size Photographs of the Child Labour & Adolescent Worker/Interviewee (in case of disability full size photo) must be taken and pasted in the column given on the Program schedule.
- Thumb impression (right hand) of each interviewed Child Labour & Adolescent Worker must be taken in the column given in the program schedule.
- Individual profile of each Child Labour & Adolescent Worker containing all information of the Child Labour & Adolescent Worker must be prepared by the coordinator with the support of the concerned interviewer.
- The information on child labour/Adolescent Worker/Interviewee must corresponds to the details of them in the SECC data.
- Aadhar Card no. is to be obtained in each case if available.
- Birth certificate/school mark sheet/other evidence of age of child is to be collected.
- Area resource mapping will be done by the coordinator and should write his/her recommendation to the Child Labour & Adolescent Worker specific resource available in the district.
- After completion of the survey, the concerned organization is supposed to get a certificate issued by the respective Sarpanch/Panchyat Secretary/Commissioner/CMO of local body regarding successful completion of their work.
